## Running a QM Report

You can run QM reports through ECS to get a real-time feel for what your CMS CASPER report will look like.

## Choose the option for "Electronic Transfer File."

 Click on the "American Data - ECS" dropdown menu, then choose "Write," then "MDS 3.0 Assessment," and then "Electronic Transfer File."

## On the Electronic Transmission screen

- Click on the \_\_\_\_\_ button to open the QM controls.
- You do not need to select any of the other options.

Electronic Transmission	?	×			
Clients If you do not use the "Client" button, all MDS's within the dates selected regardless of the Client's status, will be presented with the "List" button.					
Start Date End Date
